

Echo

MAGIC ADW

Automatic dish wash liquid

PRODUCT

ECHO MAGIC ADW is a concentrated low foam formulation which contains active alkali for effective saponification of fats and food debris. This product also contains a sequestrant, which is having sufficient sequestering power and provides high level efficient cleaning at minimal detergent concentration.

FEATURES AND BENEFITS

- High efficiency and excellent cleaning at minimal detergent concentration
- Very effective in removing saponifiable fats and food debris
- Cleans and deodorizes in one step
- Effective on various soiled conditions
- Leaves no film or residue on surface
