HD 10	Heavy Duty Alkaline Cleaner for Kitchen	25 kg	1020111
		6 kg	1020113
		950 gr	1020114

Properties:

- A Professional, alkaline heavy duty cleaner for kitchen hardware.
- Used to clean tough, burned, thus hardened or well stucked oil residue or such dirt on oven, pans or other hardware.
- Convenient to be used on all stainless materials or enamelled parts of materials.
- HD 10 is an extremely high performance cleaner, recommended also for cleaning heavily soiled bench, floor or walls.
- Removes the dirt swiftly and perfectly. Rinsed easily.

Directions for Use:

- Kitchen hardware cleaning: HD 10 is recommended to be used directly sprayed onto preheated (50 – 60°C) and prewetted surfaces. Hard dirt or stains are loosened by using a piece of hard fiber, while keeping waited for 5 – 10 min. Then, all surfaces rinsed properly by using cool water.
- Surface cleaning: HD 10 is diluted by 2-10% and applied by means of a spraying unit, mopping or wiping according to the area and surfaces to be cleaned. Left on the surfaces for 5 – 10 minutes, then rinsed by cool water.

pH Value:

- 14.0; 11.5 – 12.5 in 1% of solution.

Safety Tips:

- Keep out of the reach of children.
- Avoid contact with eyes or skin. In case of contact with eyes or skin, rinse immediately with plenty of water and seek medical advice.
- Wear suitable gloves during work.
- Wear protective clothes and safety glasses must also be worn for open area applications.
- Do not mix with any other chemicals.
- Keep the container tightly closed.
- Store in a dry and cool place.

Packaging:

- 25 kg of plastic container with a tap under the lid.
- 6 kg of plastic container; 4 in a carton box.
- 950 gr of bottle with a trigger; 12 in a carton box.
